Hi Matt and Carly, I've just been informed that I have a conflict on Thursday the 24th. Can we push it back to 2:30? Sorry to be a problem. Heather

Heather,
According to your desk calendar, you have a conflict on Thursday Sept. 24. You have marked "ACF Achievement Awards 12-2 at 221 W. Ship Creek" Thought you would want to know that, though I did pencil in the meeting with Carly and Matthew LaCroix anyhow.
Thanks,
Jill

Heather and Carly,

How about 1 PM on Thursday afternoon? I can check for a conference room and send a meeting invitation if that will work.

Thanks,

Heather and Carly,

Good morning. I was happy to talk with Shay prior to him leaving for his next adventure. I have been out of the office quite a bit during the last few weeks, but I am back in full-time next week. I have some availability to meet with you Tuesday, Wednesday, and Thursday next week. Wednesday the 23rd is currently wide open for me, but Tuesday or Thursday afternoons would also work for me. I should be able to reserve a conference room here, or we could meet outside the office, whichever works best for you.

Just let me know. Thanks,

Matthew LaCroix

Hi Mat,

Thanks for taking the time to talk with Shay. I was hoping you may have some time in the next two weeks to sit down with Carly (cc:d here) and myself to give us a little more guidance on the intersection between the NEPA/SEIS process and the SMACRA. I told Carly that you are always the smartest guy in the room so you would be the guy to help us better understand. If you could spare an hour sometime in the next two weeks, I'd greatly appreciate it.

Thanks much, Heather
